# About Us

## History

KOMAX Business Systems is a West Virginia owned and operated LLC founded in 1999. We service Southern West Virginia, Eastern Kentucky, Southern Ohio and Western Virginia.

- **Locally owned and operated.** That means you talk to local people every time you call and get an immediate response without going through automated phone lines and “passing the buck”.
- **Get local, fast service from highly trained technicians.**
- **Our full time Konica Minolta Bizhub trainer, Patti, can answer your questions about how to operate the machine.**
- **Any of our over 40 employees are here to help you!**

## Products

KOMAX partners with only reputable, top of the line manufacturers for all products/services. This includes, but is not limited to, Konica Minolta, KIP, Canon, Mutoh, FP Postage, Destroy-It, Formax, Kodak Alaris, Epson, Promethean, NewLine, ACDI and many more. We can provide the ideal combination of office equipment, solutions software and IT services to make your business more productive.

## Our Team

KOMAX Business Systems offers one of the most experienced and successful office equipment teams in the industry. Perhaps it is because we approach our mission as a consultative practice rather than to merely sell office equipment. We understand that the proper office equipment is vital to your business and we are committed to providing total solutions.

## Mission Statement

KOMAX Business Systems is dedicated to always exceeding the expectations of our customers. We will always be reliable, flexible, and solution-oriented in addressing the needs of our customers. Respect and professionalism will always be paramount in relations with our customers, employees, vendors, and our business partners.
